GPB Global Resources A + Rating Confirmed

Expert RA Rating Agency (RAEX) confirmed GPB Global Resources credit (long- term creditworthiness) rating A + ("Very high level of creditworthiness"), with a "stable" rating outlook.

The rating agency noted good financial standing of the key investment project ([Joint Venture Petrozamora S.A., development of mature oil fields to boost oil production](#)), high capital adequacy, and considerable share of receivables in assets.

Expert RA Rating Agency (RAEX) also upgraded GPB Energy Services (GPB Global Resources Group) and GPB Latin America Ventures (GPB Global Resources Group) creditworthiness ratings to A + (from A in 2013), with a "stable" outlook.

High quality of the risk- management system, advance loan payments, and consistent operational performance in Venezuela are among key positive factors highlighted by the rating agency.
