GPB Global Resources A + Rating Confirmed

Expert RA Rating Agency (RAEX) confirmed GPB Global Resources credit (long- term creditworthiness) rating A + ("Very high level of creditworthiness"), with a "stable" rating outlook.

The Russian rating agency noted good financial standing of the key investment project ([Petrozamora S.A.](#)), high capital adequacy, and considerable share of receivables in assets.

RAEX also confirmed GPB Energy Services (GPB Global Resources Group) and GPB Latin America Ventures (GPB Global Resources Group) creditworthiness ratings to A +, with a "stable" outlook.

The high quality of the risk- management system, advance loan payments, and consistent operational performance in Venezuela are among key positive factors highlighted by the agency.
